<b>Question:</b>	What other comments do you have about the strengths and weaknesses of this course?
<b>Response Rate:</b>	25.00% (2 of 8)
1	One of the strengths of this course is the use of discussion questions. These questions make me think about all of the reading.
2	I think that the online learning was very effective, however, some recorded lectures would be beneficial as I am one that likes to be taught material instead of just reading about a topic.
