1	the blog format of the material was refreshing but was challenging working with a new platform. I feel a more regimented format on the pages would have made navigation easier.
2	more interaction with the instructor
3	Smooth flowing online instruction course with detailed content.
4	N/A
5	I think weekly or biweekly submissions towards the coursework would be beneficial instead of the freeform work due on one date. It would be beneficial to the class and the professor.
6	Great class!
